Taking culture for granted can be very costly in monetary terms. ISW is designed to build your cultural competence.

Cultural Competence is the ability and willingness to act appropriately when doing business with people of different cultures.

What will ISW Provide?

- (a) Awareness of how cultures function in the global market*
- (b) Knowledge of how cultures affect decision-making in the purchasing of goods and services*
- (c) Ability to communicate more effectively across cultures*
- (d) Ability to manage intercultural conflicts in the workplace*
- (g) Ability to solve problems related to intercultural communication*
